PRELIMINARY RECITALS

Pursuant to a petition filed on July 28, 2016, under Wis. Stat. § 49.45(5), and Wis. Admin. Code § HA 3.03, to review a decision by the Division of Health Care Access and Accountability regarding State Supplemental SSI benefits, a hearing was held on August 31, 2016, by telephone.

The issue for determination is whether petitioner can receive state SSI supplement after federal SSI ended.

There appeared at that time the following persons:

FINDINGS OF FACT

1. Petitioner (CARES # [REDACTED]) is a resident of Rock County.
2. Prior to July 31, 2016 the petitioner had been a recipient of state SSI supplement along with federal SSI.

3. Petitioner's federal SSI ended on July 31, 2016 as a result of the cessation of her disability and therefore, her state SSI also ended.
4. The petitioner did not appeal the ending of her federal SSI.

DISCUSSION

Effective January 1, 1996, the State of Wisconsin began sending out its state supplemental SSI payments separately from federal SSI payments (they had previously been sent out as one check by the Social Security Administration). Petitioner was eligible for state supplemental SSI because she received a federal SSI payment. The statute reads:

49.77 State supplemental payments.

(2) ELIGIBILITY. (a) The following persons who meet the resource limitations and the nonfinancial eligibility requirements of the federal supplemental security income program under 42 U.S.C. 1381 to 1383d are entitled to receive supplemental payments under this section:

...

2. Any needy person or couple residing in this state and receiving benefits under federal Title XVI.

3. Any needy person or couple residing in this state whose income, after deducting income excludable under federal Title XVI, is less than the combined benefit level available under federal Title XVI and this section, if at least one of the following requirements are met:

a. The person or couple was eligible for state supplement under this section based on the last federal eligibility determination prior to January 1, 1996, but was not eligible to receive a payment under federal Title XVI on that date.

...

Wis. Stat. § 49.77(2). Petitioner received state supplemental SSI because she was receiving federal SSI. Because her federal SSI has been terminated, she cannot qualify for state supplemental SSI pursuant to §49.77(2)(a)2. She also does not qualify under any other provision of the referenced statutory section and I am unaware of any other exception that might allow her to continue to receive the state SSI. Therefore, I must conclude that she is not eligible for the state supplemental SSI until and if she again qualifies for and receives federal SSI payments.

CONCLUSIONS OF LAW

Petitioner is ineligible for state SSI because she no longer receives federal SSI.

THEREFORE, it is

ORDERED

That the petition for review herein be and the same is hereby dismissed.
